

SUPPORT ABC IN THE FIGHT TO PROTECT THE MERIT SHOP!

Your generous and unrestricted corporate or personal donation will support efforts led by fellow ABC members, taxpayers, workers, and legislative leaders committed to fiscal accountability, equal opportunity, and economic prosperity for all. Here are a few member-led priorities:

PROTECT THE MERIT SHOP

Over the past decade ABC of Michigan has fought to enact legislation that repealed prevailing wage, eliminated project labor agreements, and made Michigan a right-to-work state. Our wins have been lost and we must fight to try to restore these free enterprise policies.

FIGHT POLICIES THAT EFFECT HR IN YOUR BUSINESS

Many bills have been introduced over the years that are sure to change the way you do business including minimum wage increases, pay equity, family leave policies, and other items that could leave your business severely restricted.

SUPPORT MARKETING & COMMUNICATIONS TOOLS

Utilizing coalitions, communications professionals, and local groups we can create messaging to educate the public on the dangers of dismantling the merit shop and the free-market policies we advocate for every day.

SUPPORTING MERIT SHOP FRIENDLY CANDIDATES

We are entering an election year and educating voters on issues is one way we can impact the makeup of our local, state, and national representatives. We must inform voters of the dangers of policies that add red tape or restrict the merit shop.
